Day of FASTING & PRAYER

WEDNESDAY
MAY 24

PRAYER CALL: **800-927-9434**

The Spirit of God has impressed upon me to lead our church family in a day of fasting and prayer for supernatural results for the L.O. V. E. City Project.

When God gave me this assignment for L.O.V.E. City, He instructed me to have members, partners, and pastors to help financially support this vision. As I sat on the set explaining the vision and the trilogy blessing God promised for our giving I heard the Spirit say "We can do This"! We can reach our L.O.V.E. City \$500K goal, and be ready for dedication week in July. Will you pray about what the Lord will have you to sacrificially do? Where should you target your faith as a L.O.V.E. City Village Builder? We can reach our goal with 1000 members giving an extra \$500 or 500 members giving \$1,000 for the renovation. Everyone praying and obeying God will cause the work to be sustained and completed on time.

I'm led of the Lord to call a day of fasting and prayer on Wednesday, May 24th for God's direction in your sacrifice. On that day you can fast one meal, two meals or a dawn to dusk fasting. In the Scripture when corporate fast were respected a supernatural move of God always followed.

FASTING OPTIONS/GUIDE FOR ONE DAY

2. Fast one or two meals
3. One Day Juice Fast
4. Eat only vegetables for the day (no meat)
5. Eat only fruit for the day
