

# 21 DAY Consecration

SEPTEMBER 27TH

OCTOBER 17TH

The Spirit of God has impressed upon me to lead our church into a time of twenty one (21) days of consecration which include times of prayer with fasting. Fasting has always been a supernatural breakthrough weapon of the saints. Please don't take this casually, observe these set aside days as being critical to both "Envisioning of Greater Works and Expecting Great Things." Whatever we are called to do can be referenced in the Bible.

God instructs Joshua to call the people into consecration and prepare to supernaturally be used of Him. Following their time of consecration they experienced an unprecedented season of blessings and victories as God worked among them.

*"And Joshua said unto the people, Sanctify yourselves: for tomorrow the Lord will do wonders among you." Joshua 3:5 KJV*

Each year, I personally set aside specific times of consecration, fasting and prayer and I have seen amazing results in my personal life and ministry. This year God said include the people, call the church into this time of prayerful consecration and preparation to be used of God to do greater works. A Scriptural definition of consecration means that you are to set yourself apart from evil, turning to the Lord and be prepared to be used by God as He directs.

Our success in the coming days with all of the fall vision ministry events; the Stellar Sunday giving opportunity, "The Glory Experience" live CD recording, the Strategies Conference and Reunion Sunday hinges on this time of consecration. Effective consecration especially the fasting part is an act of faith and must be done in agreement with the Word of God. Take time to listen to the teaching on Fasting for Supernatural Results that can be accessed by the QR Code. After listening to the teaching, select the level of fasting you will commit to during these 21 Days of Consecration!
