PRAYER GUIDE | JULY 2019

Father, we bless Your name today, we exalt You, You are high and lifted up, we Worship You, You alone are worthy of all the praise all the honor and all the glory. We love You today, and we thank You for Your presence in our life. Thank You, Father, for Your goodness. Father, thank You for an understanding of our identity from Your perspective. Father, we understand there are several factors that shape our identity that cannot be denied but must be respected if our identity crisis is to be corrected. But we also understand that You choose to work within this framework to transform our perception and reestablish our identity in truth. Father, we are determined to allow Your Word to be the truth we live by and to establish our belief system regardless of what has happened. We are determined to allow the truth to shape our behavior and define what's possible for us. We declare that Your Word is the new credible authority in our life. Therefore, we saturate ourselves in the truth of Your Word by repetitiously meditating in the Word day and night. Father, thank You for the understanding of the importance of the identity concept. Because knowing who we are impacts the management of our destiny which is the purpose for our being, and knowing who we are impacts our decisions management which is our choices in life, and knowing who we are impacts our demeanor management which is our attitude and disposition, and knowing who we are impacts our daringness management which is what we will attempt, and knowing who we are impacts our dread management which is what we do to overcome disappointments and discouragements. Father, we understand that there is no hope in our talents, job title, clout, fame, or position. We declare we find no peace in identifying with any movement, group, or person other than You. We declare we find our rest, hope and peace from You. We declare in You we are secure and made whole, righteous and blameless. We declare in You we find purpose and joy because You are in us and by our side. We thank You that we are precious, pursued, honored, dearly loved, wanted and cherished by You. We declare in You, we are kind, we are patient and compassionate, we are gentle, and we are humble. Because of Your Spirit

Help us to identify the lies, and reveal to us any places where we are chained to the past in a negative way. Father, we repent of any lies of the past. We repent for defining ourselves by earthly standards and skills. Thank You, for teaching us to hear Your voice and not believe the enemy's destructive lies about who we are. Holy Spirit, thank You for making us know the reality of who our Father is, and who we are in Him. We thank You, for our uniqueness and that we are made in Your image. We are the righteousness of God. We are safe. We are part of Your Kingdom. We can understand what Your will is for our life. We have God's power and we are victorious. Thank You for this new identity we have in You. Thank You for helping us to live out this truth in our life every day. We will live in Your Presence and from the overflow of the Holy Spirit, we will move. In Jesus' Name, Amen.
