## PRAYER GUIDE | JUNE 2019

Father, we thank You, for a way of living prescribed in scripture that is above what is commonly ascribed. Thank You, for protecting the veracity and quality of the Holy text because You knew it would be something we would depend on for our knowledge of You and Your expectations of us. Father, we are declaring that based on the evidence of scripture that we will make a deeper commitment to the abundant life that has been made available to us. We thank You, that when we embraced Your way of living it elevates the quality of our life, and our capacity to handle adversity so that we can experience fulfillment. According to scripture, there is more to life than what we physically see, and it is only through the lens of the scriptures that we can get insight into the unseen spirit world which is real even though it is beyond the seen level. According to scripture in I Thessalonians 5:23, You have made us spirit, soul and body, therefore we can function in the spirit realm. Therefore we will do more than respect the reality of the spirit realm but we will maximize our lives through practicing the principles that govern this realm. Because we are spirit-beings with authority, we declare that we curtail the works and encroachments of satan and evil spirits. Thank You, for the angels that are in the spirit realm that have been assigned to assist us as believers in life situations. Thank You, for the scriptural documented evidence of angels being called spiritual beings, wise beings, alert beings, strong beings and visible and invisible beings. Thank You, for the supernatural power of angels that help us through supernatural revelation, supernatural deliverance, supernatural healings, supernatural warfare, supernatural strength, supernatural protection, supernatural provisions and supernatural prosperity. Thank You, for the angelic assignment to provide strength for us as they did

for Jesus. Thank You, for the angelic assignment they have to carry out divine orders and judgments. Thank You, for the angelic assignment they have to bring messages of warnings and hope. Thank You, for the angelic assignment they have to encamp around us to provide protection. Thank You, for the insight to see beyond the limitations of this natural realm into the realm of the spirit where our help comes from. Thank You, that the angels are encamped about us ready to witness our obedience, and hear us give voice to the Word so they may speedily harken to the voice of Your Word. We repent for any moment of murmuring and complaining, and we make a covenant with our mouth to speak those things that release angels to work on our behalf. Our future is brighter than ever before because all that we need is being delivered to us through angelic participation. We put our total trust and confidence in You who is the Most High God. We boldly cast down all satanic strongholds on our thinking that would cause us to doubt this angelic revelation. We rejoice and we are at total peace because of our dependence is on Your grace to guide our steps as You commission angels to move swiftly to bring Your will to pass in our life. In Jesus name Amen.

Thank You, Father, Jesus serves as our example and declares His spiritual resourcefulness to ministry came from the Holy Spirit. We declare that our resourcefulness stems from our relationship with the Holy Spirit. We thank You for the Holy Spirit who strengthen us in our inner man. Thank You for the power of the Holy Spirit working in us that enables Him to do the exceeding abundantly above all we can ask or think. Thank You for the Holy Spirit who will strengthen us to resist the urges of the fleshly nature in us. Thank You, Father, we hear the voice of the Holy Spirit and the voice of the stranger the evil one, the devil we will not follow. We repent of every ignorant involvement in the world of witchcraft looking for answers that only You can give. We closed the door to demonic access to our life, our family and our thoughts in Jesus Name! We monitor our thoughts and cast down every contrary thought that is against Your Word and Your established plan for our life. We come against thoughts that bring temptation to do destructive things, we come against thoughts that condemn us for repented past mistakes, we come against thoughts that rob us of hope in divine deliverance, we come against thoughts that magnify our problems over God's ability to help us, we come against thoughts that challenge our worth by tempting us to compare ourselves with others, we come against thoughts that tempt us to become dissatisfied with our life in Christ as though God is withholding our happiness from us. We agree with the Word that we do not live by natural wisdom, but by every word that comes from the mouth of God. We choose to overcome every strategy

of satan to derail our purpose, entrap us into sin and steal our witness! We walk not in the counsel of the ungodly neither do we yield to the dictates of our flesh but our delight is in the law of the Lord, and in that law, we meditate day and night. We boldly declare that we are like a tree planted by the rivers of water, we bring forth fruit in our season, our leaf shall not wither, and whatsoever we do shall always prosper! In the Name of Jesus, we dethrone any myths about the devil, uncover his devious plans, expose his deceptions and through the power of God bring deliverance from the grips of the kingdom of darkness. We stand in the gap for those that are being controlled by evil spirits and familiar spirits. We speak deliverance to people in torment, with unexplainable illnesses, unrealistic fears attacks, unexplainable depression, insomnia, the hearing of voices, uncontrollable vile lusts and perversions in Jesus name be free.

Thank You, for the Spiritual Revelation of the Cross. Thank You, it is the Place where the price was paid for us. Because of Your death on the cross, You paid the price for all our sins; past, present, and future. Thank You, it is the Place of Prophetic Proclamation, it was declared by the Prophets and You declared that You would be lifted up. Thank You it is the Place of Perspective Possibilities because we can see it's possible to live without guilt and shame because the price has been paid in full. Thank You, it is a Place of Purification Power because it's on the cross where we see the culmination of the shed blood of Jesus as the selected sacrifice for all of mankind's sins. Thank You, it's a Place of Planned Preeminence because it is refreshing to know that Jesus dying on that rugged Roman Cross was providentially planned by God. Thank You, for the breakthrough that has occurred because we realize that from the Cross, we can see beyond our sufferings because of the blood that gushed from His heart, and He died with a broken heart paying the price for our emotional healing. Thank You, for the breakthrough that has occurred because we realize that from the cross, we can see beyond our sicknesses because the blood on His back pouring out of the stripes from the whips; the price was paid for our physical healing. Thank You, for the breakthrough that has occurred because we realize that from the cross, we can see beyond our sins because the bloody sweat on His brow from the agony of His choice in the garden was the price paid to live free from sin. Thank You, for the breakthrough that has occurred because we realize that from the cross, we can see beyond our sufficiency because the blood on the crown of painful thorns crushed into His head was a symbol of poverty, lack, and just enough. Jesus died to give us abundance. Thank You, for the breakthrough that has occurred because we

realize that from the cross, we can see beyond our sorrows because there, He bore our griefs and carried our sorrows. Therefore we don't have to grieve and be depressed, He paid the price for us to be comforted and assured. Thank You, for the breakthrough that has occurred because we realize that from the cross, we can see beyond our saying because Jesus was careful in what He declared and He demonstrated that even in that hour He would not relent in His confession, because He knew that death and life were in His mouth. Thank You, Father, for what was paid for at the cross changes what is possible for us. We declare that Jesus dying on the cross was not in vain. We declare that things shall not remain as they have been, there is a change been made in Jesus name.
